Please describe the extent of operation expected, including: size of junk yard, lighting at night, screening or fencing, size of signs to be erected, number and size of structures to be located thereon and the hours of operation per a 24-hour day.

Inspection and Approval: Upon receipt of an application and \$50 annual permit fee paid to Lee Township, the Township Board will review of the application. The Code Official will inspect the premises to determine that site meets all requirements set out in the Salvage Yard Ordinance #2024. Applicant will receive a written response to determine that the premises complies with the provisions of this or any other ordinances of the township within 30 days of receiving completed application and fee.

The Code Official shall have access during business hours to all premises where a junk yard license is in effect, and it shall be his/her duty to periodically investigate and inspect the premises.

The Township Board reserves the right to revoke any license issued under this chapter and to refuse to issue a license hereunder if it appears to the Township Board that the operation of a junk yard would be against the public health, interest and general welfare or that this chapter has in any manner been violated.
