LEE TOWNSHIP
Special Meeting Minutes

July 26, 2007

The Special Meeting of the Lee Township Board was called to order at 6:07 pm., at the Lee Township Hall, 877 56th Street, Pullman, MI 49450.

Members Present: Trustee Christensen, Supervisor Schlack and Clerk King.

Members Absent: Treasurer Lowery and Trustee Black.

The purpose of the Special Meeting was to discuss a question that Supervisor Schlack had been presented with by Realtor Ilene Larson. She had a piece of property that was for sale in the Vio Ashdale Subdivision, parcel #760-017-00. The proposed buyer had asked if they would be permitted to place a dock in front of the lot if they were to purchase the property.

Discussion took place regarding the location and if what was showing as a road on the plat was a private or public roadway. Clerk King stated that if the road was private that it would be up to the other property owners to collectively make the decision to sell or lease. If the road is public, than it should not be sold.

Trustee Christensen requested that we move this matter forward to when more research could be done. The owner needs to be established. If this is sellable township property that would benefit the township's tax base and proper steps need to be taken to insure it would be done in a proper and fair manner to the other residents.

All members present were agreeable to tabling this matter until further research could be done.

Citizen's Comment: One citizen made a comment. She requested to know that name of the buyer of this above reference parcel and question the reason that this was a Special Meeting and not handled in a Regular Meeting.

Motion was made by Christensen and seconded by King to adjourn the meeting. All voted "Aye". Motion carries.

Meeting was adjourned at 6:25 pm.
