

Lee Township Master Plan Meeting

September 23, 2019

In attendance: Scott Owen, Dick Palmby, Tim Kotas, Tim Looman, Lisa Galdikas

Reviewed minutes from June meeting.

Discussion of informational kiosks. Youth at Linking Center not ready yet for project. Discussed promoting use of website and FB page for residents to gain information. Still need to secure source for Spanish translation of information.

Library sign was located. Tim Looman will touch it up and hang on post at driveway entrance. Discussed signage for Township Hall and Township Office.

Scott reviewed information from Community Action organization, their weatherization and affordable housing programs. These programs have lots of requirements to meet to be eligible.

Brief discussion on ordinance enforcement.

Economic Development-Tim Kotas noted (lack of) availability for natural gas is a big hinderance for businesses to come to our area. However lines are close so this should continue to be pursued as a long term goal.

Discussed internet companies -Frontier vs. Everstream or Bloomingdale Communications, and how to utilize the tower in our own backyard to the advantage of Lee Township.

Next Meeting: Monday November 25, 2019, 6:30pm
