Spring 2011

## A HOLIDAY MIRACLE

**1, 2, 4, 6, 14, 210, 600, 700, 1000, 1200**

Looks like the Mega Million Lottery winning numbers but it's not. It's worth even more. This past December 11<sup>th</sup> **one** community (Lee Township) came together to celebrate the joy of Christmas and friendship and giving during the Community Holiday Social held at Pullman Elementary School. **Two** lucky people won a flat screen TV and a tool set and the Terry Laraway Memorial Fund for kids summer sports program raised \$1000.00. **Four** other lucky people won gift baskets filled with a wide variety of great things and gift certificates for food, gas, groceries, auto services, flowers, haircuts and spa treatments donated by **14** local businesses. All **6** grades at Pullman Elementary School (K-5) participated in a tree decorating contest (congratulations 4th grade for winning the ice cream party).

Many of you are aware that Love, INC opened an office here in Pullman about one year ago. This past holiday they, along with the help of many of their church resource, were able to sponsor **210** Pullman families, providing holiday gifts and food. What a blessing. The local VFW assisted Santa in giving away over **700** gifts on December 11<sup>th</sup> and helped make it possible for **600** cookies to be decorated that evening by the children present. The many volunteers, with the assistance of the Pullman

Elementary School custodial and kitchen staff fed about **1000** people and thanks to the support of Pullman Elementary over **1200** people truly celebrated the joy of the season under one roof and as one community.

These numbers are staggering yet it's only a portion of the tremendous things that came together that evening. Families enjoyed the music program led by Holly Grover, had a chance to pet a live reindeer, had their picture taken with Santa, participated in the tree lighting and even sang carols with the live manger scene at Fresh Start Gospel Church while enjoying a fabulous sweets table. And did I mention it was raining the whole night? That didn't seem to dampen anyone's spirit.

Many thanks go out to all those who had a hand in making this event such a success. There are far too many people to thank personally (and many unsung heroes who stepped in to help) but it is suffice as to say it was truly a community project from beginning to end. Special thanks needs to go out the representatives from the VFW, Love, INC, People Helping People, Pullman Elementary School, and Lee Township who spent months planning this event. Also local businesses who generously continue to give back to the community— Nolan's Party Store, Larson's Hardware, The Pullman Tavern, Preferred Market, Pizza Plus, Image Designer, Rosewood Floral & Gifts, Studio 109, Northwoods Cafe, Al's Gas Station, Walker Tire, Sam's Auto, Bellita's Market and Karam's Food Mart. Last but certainly not least thanks to those outside of Lee Township who saw a need and filled that need with tremendous grace and generosity, especially Ridge Point Community Church of Holland, Central Wesleyan Church of Holland, Douglas Community Church, Douglas Christian Neighbors and Herman Miller.

We can only hope that this feeling of generosity and giving and sense of community continues throughout 2011.

The Township recognized the dedication and service **Officer Mark Lytle** has given to Lee Township for the past three years and presented him with a certificate of appreciation at the January 10th regular Township Board Meeting.

The Lee Township Board welcomed **Officer Ross Mysliwicz** to his new position as a Lee Township Officer effective January 5<sup>th</sup>. Officer Ross has served with the Allegan County Sheriff's department for the past 4 years and previously worked in law enforcement in Owasso, MI. Officer Ross is married and has a 6 month old daughter. He noted that he was appointed to his position as the Sheriff's office believed this would be a good fit. He has already met many residents and looks forward to serving in our community.

Students interested in playing sports should have their parent contact Pullman Elementary School or see Doug Bale at Pizza Plus. Congratulations to the players and coaches (pictured below).

*Back row: Coach Jose Sustaita, Miguel Garcia, Alex Sustaita, Rafael Sifuentes, Noah Perez, Coach Polo Isidoro; Front row: Diego Garcia, David Garcia, Ezequiel Isidoro, Gabriel Perez, and Miguel Marin. Not pictured: Nicolas Amos).*

The 3<sup>rd</sup> Annual Terry Laraway Memorial Ride will take place Saturday May 21<sup>st</sup>. There will also be another community raffle to support the athletic program. Contact Doug Bale at Pizza Plus (236-5590) for raffle tickets (to be raffled: television, riding lawn mower, chain saw, and more).

## UPDATE ON THE NEW FIRE STATION

The Lee Township Board voted unanimously at the January 10<sup>th</sup> regular Township Board Meeting to move forward with the plan to build just a new Fire Station on the property at 109<sup>th</sup> and Beech St. Approximately \$15,000 additional funds will be spent on drawing up new plans for the site as the original plans included the addition of a new Township Hall. Additional paperwork needs to be completed for the USDA and then the project should go out to bid with the hope of a ground breaking late spring.

## IMPORTANT CHANGE

Fire Chief DeWeerd would like everyone to know that a new law effective April 1, 2011 makes burning household refuse in burn barrels illegal per the DNR. Residents may still burn brush and leaves with a burn permit.

## Treat your family to breakfast

Lee Township Fire Department is holding Pancake Breakfast at Pullman Elementary School on the following Saturdays from 8-11am: March 19, April 16, and May 21.

## 2011 Clean Team Dates:

*Volunteers are asked to meet at the start time at the Township office.*

May 14, 10:00 a.m.

June 11, 9 a.m.

July 9, 9 a.m.

August 13, 9 a.m.

September 10, 10:00 a.m.

October 8, 10 a.m.

Please note this is a committee with great intentions but without helping hands cannot continue to actively pick up roadside trash during the spring/summer/fall to help keep our community looking good. The commitment is just 2 hours once a month and you don't have to commit to every month. If you have a teen that needs to do community service this is the perfect opportunity. All we ask is that a parent or grandparent participate with their child (including bringing them and picking them up and supervising them). You can reach Donna or Gene at 236-5121 from 9am-6pm or email at [wordspictures@yahoo.com](mailto:wordspictures@yahoo.com).

## FEATURED ARTICLE.....

### A Community Mourns the Loss of a Dream

I couldn't remember how long Nolan's Party Store on 109<sup>th</sup> had been there. It seemed like forever. And then on Wednesday February 2<sup>nd</sup> (what has come to be known as the Blizzard of 2011) that all changed as 5 fire departments responded to a call from a passerby that saw smoke and flames coming from the building. Reflecting back on that night Pat Nolan just kept reiterating her profound appreciation to all those firefighters who came out in that awful weather to try to save her business, their dream. "Their dream" that is Tom and Pat Nolan. When I ask Pat how long she and Tom were married she responded fondly "forever and a day." Tom was born and raised in Chicago and then moved to the Fennville area. Pat grew up in Fennville. She left for a bit and attended Bay City Central and then came back to the area. They met while both working at Chase Manufacturing, were married in 1967 and had 5 children between them (a second marriage for both). Pat describes Tom as a "jack of all trades" and she herself has proven to be quite resourceful. But in 2003 they decided to open their own business. The original building that was Nolan's Party Store was originally the Old Family Farm Market. The building sat vacant for several years and once Tom and Pat were able to purchase it they began refurbishing it from the ground up. About 4 years ago they added on to the back of the store in the hopes of expanding it into a deli area (which opened last April). At the same time they were growing their community business Tom was actively involved in the local VFW and served as Post Commander from 2008-2010 when Tom suddenly passed away. Pat and Tom have been more than business owners, they have been active community members who truly found ways to help those who needed a helping hand, from extending store credit for some short on cash, to helping out with the VFW Christmas Party and Community Holiday Social to providing the community with an over the top local fireworks display every July 4<sup>th</sup> since 2004. Even the two pet Alpaca's kept next to the store were there for the children to see, feed and enjoy. Pat even began talking to some of her

vendors and collecting donations for a program she wanted to launch where local businesses came together to "adopt a family in need." Though much of her "things" were destroyed in the fire, Pat continues to talk about ways she would like to help those less fortunate within the Pullman community. She also reflects that one of the greatest losses she feels is that of her faithful customers over the past 7 years and expresses her true appreciation for all those who have been there for her since Tom's passing and now with the loss of the business, "their dream."

With any significant loss, it will take some time for Pat to sort out what comes next for the Nolan family. In the meantime she appreciates all the support that has been given to her and her family. Pat, your community truly appreciates all you have done for us.

### Are You Ready for a Tornado?

Here are tips provided by the American Red Cross for what you can do to prepare for such an emergency.

\*Pick a place where family members could gather if a tornado is headed your way. It could be your basement or a center hallway, bathroom or closet on the lowest floor. Keep this place uncluttered.

\*Stay tuned for storm information on your local radio or TV station.

\*A tornado **WATCH** means a tornado is possible in your area. When a tornado WATCH is issued be alert to changing weather conditions such as blowing debris or the sound similar to that of a freight train.

\*A tornado **WARNING** means a tornado has been sighted and may be headed for your area. Go to safety immediately. If you are inside go to your designated emergency spot (described above). If you are outside and cannot get inside lie flat in a ditch or low lying area. If you are in a car or mobile home, get out immediately and head for safety (as above).

\*After the tornado passes watch out for fallen power lines.

\*Every household should assemble a Disaster Supplies

Kit containing:

- first aid kit,
- canned food and a can opener,
- several gallons of water,
- blankets or sleeping bags,
- battery powered radio, flashlight, and extra batteries,
- special items for infants, elderly or the disabled,
- and written instructions on how to turn off electricity, gas and water if authorities advise you to do so.
